# NAPCO AT A GLANCE

A LEADING MIDDLE EASTERN GROUP  
OF COMPANIES BASED IN KSA

IN MARCH 1956, GEORGES N. FREM, RECOGNIZING THAT DEMAND FOR PACKAGING MATERIALS IN THE ARABIAN GULF WAS BOUND TO EXPONENTIALLY INCREASE, FORGED A PARTNERSHIP WITH FUTURE-MINDED SAUDI BUSINESSMAN, ABDUL RAHMAN AL-MOAIBED, TO CREATE NATIONAL PAPER PRODUCTS COMPANY IN DAMMAM. NPPC WAS THE FIRST MANUFACTURING PLANT OF PAPER BAGS, CEMENT BAGS, TISSUE ROLLS, AND PLASTIC CRATES IN SAUDI ARABIA.

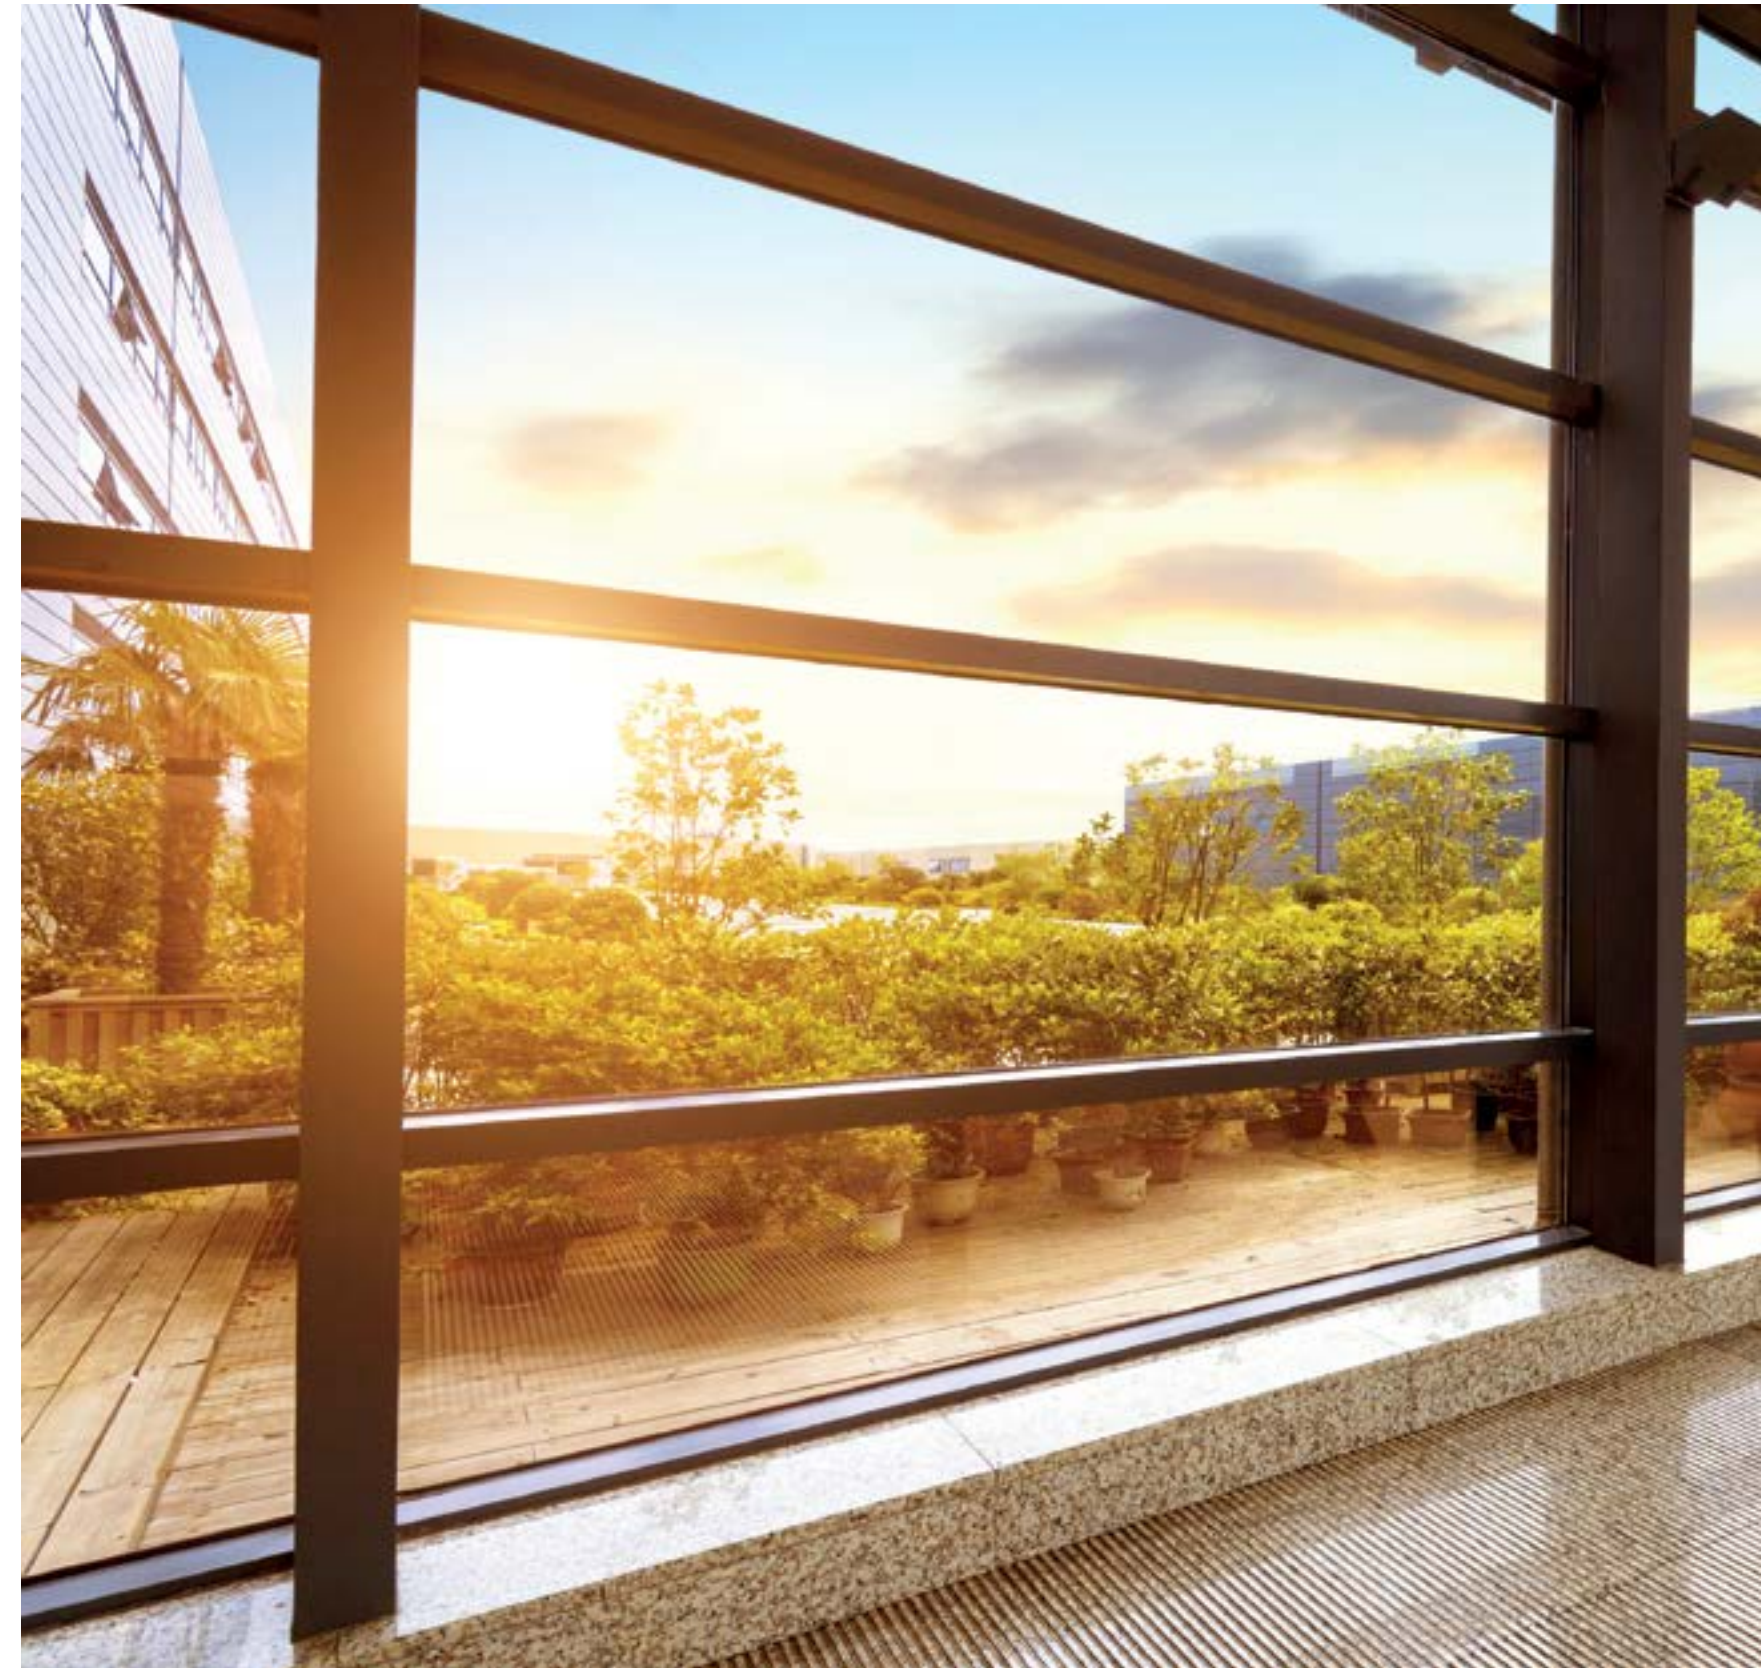

Initially supplying Aramco and a small institutional market, the company quickly expanded to produce tissue consumer products, given high demographic growth and new market needs. In 1963, Napco pioneered plastic film manufacturing in the Arabian Gulf, two decades before the inauguration of the plastic resin industry.

Nearly 60 years after our establishment, Napco companies have diversified to manufacture a wide array of products for diverse markets around the globe. Today, they are structured along three strategic business units:

- CONSUMER PRODUCTS DIVISION
- FLEXIBLE PACKAGING DIVISION
- PAPER CONTAINERS

As a privately owned business, we are driven by entrepreneurship and a pioneering spirit. The autonomy of each affiliate - associated with the continuous build-up of management capabilities - constitutes the basis for growth and specialization. In order to enhance business focus, affiliates operate independently while maintaining synergy with one another. Newly formed companies have well designed product portfolios and geographically distinct target markets.

The pride of Napco companies today is our rich client reference list - including Aramco since 1956 and SABIC since 1982 - as well as top ranked multinationals based in the Middle East.

# NAPCO'S REACH

NAPCO OFFERS A SECURE SUPPLY OF  
PETROCHEMICAL PACKAGING TO OVER 40  
COUNTRIES AROUND THE WORLD

## AFRICA

Algeria  
Cameroun  
Egypt  
Eritrea  
Ghana  
Mali  
Morocco  
Nigeria  
Senegal  
Somalia  
South Africa  
Sudan  
Tunisia

## ASIA

India  
Pakistan

## EUROPE

Belgium  
Denmark  
France  
Germany  
Ireland  
Italy  
Netherlands  
Russian Federation  
Spain  
Turkey  
United Kingdom

## MIDDLE EAST

Bahrain  
Iran  
Jordan  
Kuwait  
Lebanon  
Oman  
Qatar  
Saudi Arabia  
Syria  
United Arab Emirates  
West Bank  
Yemen

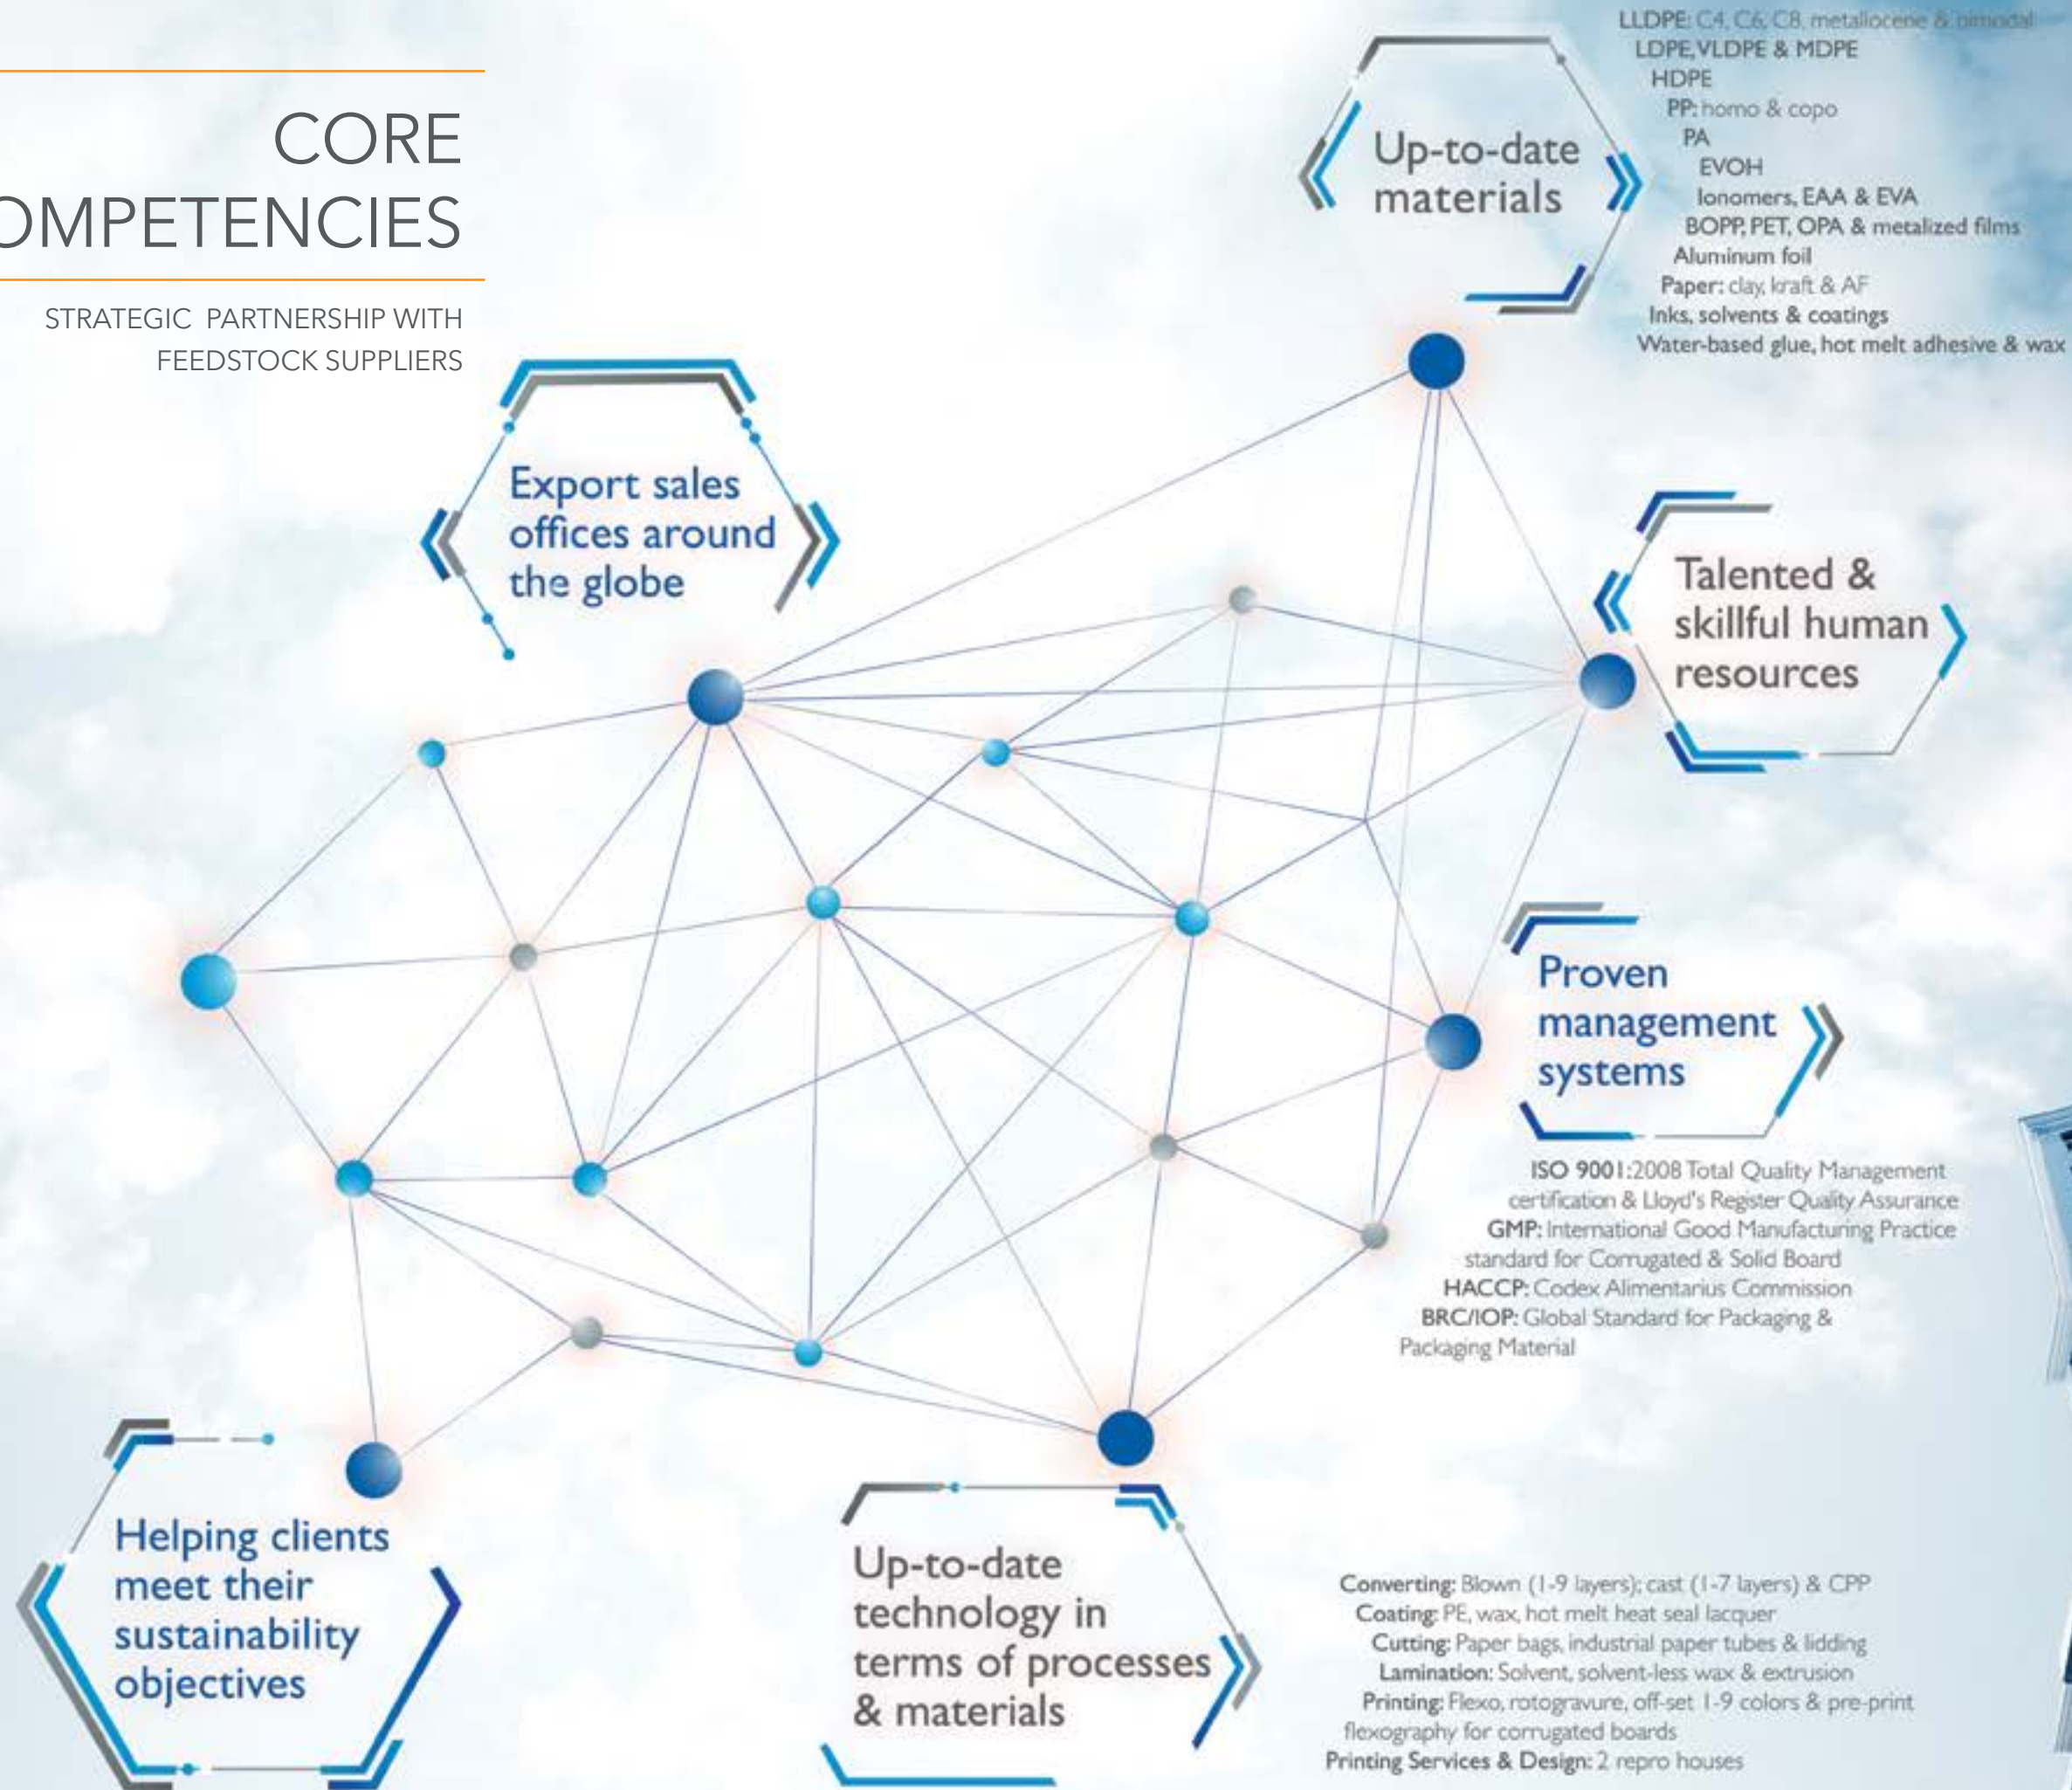

## NORTH AMERICA

Canada  
USA

# CORE COMPETENCIES

STRATEGIC PARTNERSHIP WITH FEEDSTOCK SUPPLIERS

# PRODUCT PORTFOLIO

## PROTECTIVE FILMS & SHEETS

### PAPER SLIP SHEETS

High tensile resistant slip sheets to unload chemical and polymer bags from flatbed trucks.

### PE TOP SHEET

Tear-resistant PE top sheet to protect the upper surface of stretch-wrapped pallets.

### SHRINK HOOD FILM

High-clarity PE shrink hood film for manual or automated protection of pallets.

### STRETCH HOOD FILM

100% recyclable PE stretch hood film with the ability to cover up to 100 pallets/hour, including irregular shapes.

### STRETCH FILM

Highly stretchable PE stretch film for wrapping & stabilizing pallets and items.

VISIT OUR PETROCHEMICAL PACKAGING WEBSITE AT  
[WWW.PETRO-CHEMICALPACKAGING.COM](http://WWW.PETRO-CHEMICALPACKAGING.COM)

## BAGS & SACKS

### MULTI-WALL PAPER SACKS

Printed, durable MWS for easy filling & closing.  
Open top & pasted bottom; pinched bottom; valve top & pasted bottom.

### PE OPEN MOUTH BAGS

Bags with top or bottom sealing for automated or manual filling of different material weights.  
Block shape & anti-slip agent for optimized palletizing.

### PE FORM-FILL-SEAL (FFS) BAGS

Full range of high-quality FFS, including side gusseted and/or embossed with micro-perforation.  
Up to 2100 bags / hour.

### PE VALVE BAGS

Valve bags with flexible closure and quick de-aeration while filling, UV stabilizers to protect contents.  
Block shape & anti-slip agent for optimized palletizing.

## BULK BINS & LINERS

### BULK BINS FOR PET PREFOM

Easy to assemble and designed to endure challenging logistics requirements for storing & shipping PET preforms.

### OCTAGONAL BULK BINS FOR PET PREFORMS

Triple-wall, heavy-duty octabin boxes for storing & shipping PET preforms.

### OCTAGONAL BULK BINS FOR PE GRANULES

Double-wall, heavy-duty octabin boxes for storing & shipping PE granules.

### OCTABIN PE LINERS

PE liners for fully automated or manual filling of up to 1000 kg.  
Optimized for easy fill, palletizing, safe storage & discharge.

---

## AWARDS

---

### **GPCA PLASTCON AWARD 2013**

#### INNOVATION IN ATTAINING TECHNICAL EXCELLENCE IN PLASTICS MANUFACTURING

Napco Modern Plastic Products Company - Sack Division received a special award in the 'Plastic Conversion Processes' category at the Gulf Petrochemicals & Chemicals Association (GPCA's) Plastics Innovation Awards ceremony on April 8.

Napco Modern has customized an internal auditing process to continuously improve its manufacturing efficiency and effectiveness. The process has transformed quality monitoring to support the plants' goal of attaining the highest technical excellence and surpassing international standards.

### **DUPONT GRAND PRIX CYREL® COMPETITION AWARD 2010**

Easternpak corrugated manufacturer received 3rd Prize Award for flexographic printing at 2010 DuPont Grand Prix Cyrel® competition in Barcelona, Spain in June 2010.

Jurors evaluated over 750 submissions of flexographic printed packages in 8 different categories from Europe, the Middle East and Africa, basing their assessments on packaging design, reproduction and printing.

### **BEST SABIC SUPPLIER IN 2002, 2003, 2007**

Napco packaging plants have received multiple SABIC Best Supplier awards based on:

- Competitive prices
- Zero defect delivered
- On-time delivery
- Service 24/7 with quick reaction
- Proven capacity to supply
- Saudization ratio
- Multi-manufacturing locations
- ISO certification & compliance
- In-house technical department
- Product development

# DEVELOPING HUMAN POTENTIAL

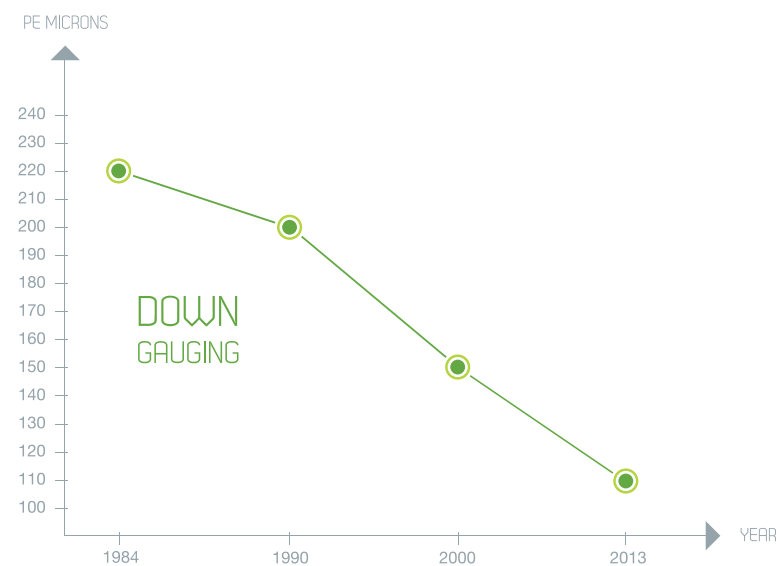

AT NAPCO, WE BELIEVE THAT EMPOWERMENT OF EMPLOYEES IS A CORNERSTONE TO SUCCESSFUL BUSINESS AND A SELF-RELIANT COMMUNITY. ONE OF THE KEY WAYS WE'VE CHOSEN TO ELEVATE THE LEVEL OF OUR PEOPLE IS THROUGH EDUCATION.

We launched Napco Learning Institute in Dammam, Saudi Arabia in 2012 to provide core technical training. Courses focus on computer skills, English, and enterprise resource planning (ERP) solutions, as well as 5S principles, safety and security, and technical jargon and terminology. Further, the Institute offers specific developmental workshops.

In addition, Napco sponsors conferences and events at technical and vocational schools, as well as industrial colleges, across Saudi Arabia to promote industry and educate students about cooperative training programs.

# ENSURING SUSTAINABILITY

NAPCO MODERN PLASTICS PRODUCTS COMPANY HAS DOWN-GAUGED ITS FFS FILMS BY UP TO 40% SINCE 1984. BASF IDENTIFIED FFS BAGS AS THE LOWEST CARBON EMISSIONS-GENERATING BAGS IN A 2008 LCA ANALYSIS FOR LAFARGE.

---

## OUR VALUES

---

NAPCO PURSUES ITS STRATEGIC GOALS DRIVEN BY A SET OF VALUES THAT HELPS ITS PEOPLE PLAY A MORE IMPORTANT ROLE IN THE GROUP'S SUCCESS.

### MODESTY

Proud enough to achieve, humble enough to share

### PRECISION

Think with no constraints, yet execute with accuracy

### HONESTY

Through transparency, the reflection of oneself shines

### HARD WORK

Stand strong in the hardest of times

### SERVANT LEADERSHIP

True leaders nurture the seeds of tomorrow

### ENTREPRENEURIAL DRIVE

Nothing is impossible under the sun

### FAMILY SPIRIT

Unique is everyone, yet one is the vision
